

**Updated Map to Quartzsite Trek Gathering:** From the EAST on I-10, turn South on Exit 17. Just past the freeway, turn West onto Dome Rock Road (if you turn East you will be on Kuehn St). Continue West on Dome Rock Rd to Cholla Rd. (There may or may not be Trek signs.) **From the WEST on I-10**, take Exit 11 which puts you on Dome Rock Road and follow it about 5 miles to Cholla Rd. **From the NORTH on US 95** turn west on Main St, turn South on Main Event Way/Quartzsite Ave. towards LOVES, go over the freeway and turn west onto Dome Rock Rd. **From the SOUTH on US 95** turn West on Dome Rock Rd by LOVES. Each of these will take you to the intersection of Dome Rock Rd and Cholla Rd.

Turn South on Cholla Rd and follow it for .7 of a mile and turn right onto the dirt road. There are a couple of small dirt roadways on the right before you get to that point —do not take those! You should see the Treks up ahead on the left. If you miss that turn, turn right on the next dirt road at the .9 distance. If you take that one the Treks will be on the right side. You can drive around to the other side.
